

CONNECT ANY VIDEO ROOM TO A VIRTUAL MEETING EXPERIENCE

iMeet VRC (Video Room Connector) joins people from video conferencing systems, laptops and mobile devices to a personalized and engaging virtual meeting experience in iMeet. Connect your video conferencing system via SIP and H.323 protocols and collaborate with remote colleagues as if you were meeting face-to-face.

MAXIMIZE YOUR VIDEO CONFERENCING INVESTMENT

Connect any leading video conferencing room system to iMeet and enjoy a virtual meeting experience that's as personal as meeting face-to-face.

- Leverage iMeet's engaging interface, content-sharing capabilities and crystal-clear G.722 HD audio in your video conferencing room
- Connect any SIP or H.323 video conferencing system in a few simple steps
- Ideal for mobile professionals who want to engage colleagues from practically any video room, anywhere, in iMeet

GET THE MOST OUT OF YOUR VIDEO CONFERENCING INVESTMENT
